## IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant:	Harold Kleanthous et al.	Art Unit:	Not Yet Assigned
Serial No.:	09/882,227	Examiner:	Not Yet Assigned
Filed:	June 15, 2001	Customer No.:	21559
Title:	Identification of Polynucleotides Encoding Novel Helicobacter Polypeptides in the Helicobacter Genome		

Assistant Commissioner for Patents  
Washington, DC 20231

INFORMATION DISCLOSURE STATEMENT

Applicants submit the references listed on the attached Form PTO-1449.

Submission of this statement is not a representation that a search has been made, nor is information included in this statement an admission that the information is material to patentability.

Under 35 U.S.C. § 120, this application relies on the earlier filing date of application serial number 08/902,615, filed on July 29, 1997. The references listed below were submitted to and/or cited by the Office in the prior application and, therefore, copies of these references are not provided in this application. Three references submitted

herewith, and indicated with asterisks on the Form PTO 1449, were not cited in the earlier application, and thus copies of these references are enclosed.

Submission of this statement is not a representation that a search has been made, nor is information included in this statement an admission that the information is material to patentability.
